ZTC21 HANDHELD

Best Seller 2022

ZTC21 2022 TOP SELLER

A New Level of Features for a Value-Priced Device

Lightweight Right-Sized Small Design,
easy to carry and easy to operate with one hand.

Android Familiarity

Virtually eliminate training with the familiarity of Android and the built-in support of future Android releases provide superior future-proofing.

Large 5-Inch High Definition Advanced Touchscreen

Get plenty of space to interact with your applications. The touchscreen is easy to view indoors and outside in bright sunlight.

Built for Business

Waterproof, dustproof, drops to concrete, snow, rain, heat, freezing cold — the ZTC21 can handle it all. Plus, the display and scanner exit window are fortified with Gorilla Glass.

Most Powerful 'Ultimate Series' Platform

Simultaneously run the most demanding applications of today and tomorrow. The ZTC21 is a natural fit for businesses that utilize admissions and amusement access.

Use the ZTC21 for scanning barcoded media, and access valuable real-time information right in the palm of your hand.
